Hair Fillers

(DE) Unsichtbare Helfer

PunktueLLer oder diffuser Haarausfall am Oberkopf sind Probleme die viele betreffen können. Mit Oberkopfhaarteilen von Gisela Mayer und Mayer Hair können schütter gewordene Stellen im Handumdrehen diskret verborgen werden. Die meisten der federleichten Haarteile sind auf Monofilament handgeknüpft und mit Lace-Ansätzen versehen, die dafür sorgen, dass die Haarteile unsichtbar mit dem Echthaar verbunden werden können. Dank des geringen Gewichts fühlen sie sich angenehm und natürlich an. Haarteile von Gisela Mayer und Mayer Hair gibt es in vielen Farben, und entweder aus synthetischem oder echtem Haar gefertigt oder aus den neuartigen Nature Fiber und Techno Fiber.

(GB) Invisible Helpers

Selective or diffuse hair loss on top of the head are problems that can affect many people. With top head hairpieces from Gisela Mayer and Mayer Hair, thinning areas can be made invisible in no time at all. Most of the feather-light hairpieces are hand-knotted on monofilament and have lace attachments, which ensure that the hairpieces can be discreetly joined with the real hair. Thanks to their minimal weight, the pieces feel comfortable and natural. Hairpieces from Gisela Mayer and Mayer Hair are available in many colors, and either made from synthetic or real hair or from the new Nature Fiber and Techno Fiber.

(FR) Les aides invisibles

Beaucoup de personnes sont touchées par une chute épisodique ou partielle de cheveux sur le dessus de la tête. Avec les rajouts capillaires Gisela Mayer et Mayer Hair vous pouvez cacher discrètement ce manque en un tour de main. La plupart de ces légers compléments sont montés sur une micro peau avec le film cinéma (lace) sur le devant qui rend ce rajout invisible. Par leur légèreté le port de ces modèles est agréable et naturel. Les solutions Gisela Mayer et Mayer Hair sont disponibles dans beaucoup de couleurs, en cheveux soit naturels soit synthétiques et aussi dans les nouvelles fibres Nature fiber et Techno Fiber.

(IT) Aiutanti invisibili

La caduta dei capelli in un solo punto o in modo esteso è un problema che coinvolge tante persone.

Con gli infoltimenti di Gisela Mayer e Mayer Hair, diventa più facile coprire e nascondere in discrezione le calvizie in un solo attimo. La maggior parte dei posticci sono in monofilo, annodati a mano e dotati con il lace-frontale, e permettono di essere collegati ai propri capelli in modo invisibile, facile e consentono un effetto naturale. Grazie alla loro leggerezza, offrono naturalezza, comodità e vi fanno sentire al proprio agio. I posticci di Gisela Mayer e Mayer Hair sono disponibili in molti colori e realizzati con capelli sintetici, naturali e con i nuovi tipi di fibra naturale e termoresistente.

(ES) Ayudantes invisibles

La pérdida de cabello puntual o difusa en la parte superior de la cabeza es un problema que puede afectar a mucha gente. Con los postizos para la parte superior de Gisela Mayer y Mayer Hair, se puede ocultar discretamente y en poco tiempo, la mayoría de esas áreas que se han vuelto escasas de pelo. Los postizos son ligeros como una pluma y están anudados a mano en un monofilamento provisto de un borde invisible de "Lace" que aseguran que las piezas de cabello se pueden conectar de manera invisible a su cabello natural.

Gracias al bajo peso del postizo, se sienten cómodos y naturales. Los postizos de Gisela Mayer y Mayer Hair están disponibles en muchos colores, tanto en sintético como en cabello natural, o con la novedosa Nature Fiber (fibra natural) y Fiber Techno (fibras tecno térmicas).
